Zoo Keepers	All	Friday 12.30-1.00	SC3	Dr Lennard	Zoo Keepers club is an opportunity for students to spend time with the various creatures we have in the laboratory. Students can help with feeding and cleaning out the animals. We currently have stick insects, giant hissing cockroaches, fish, a millipede, sun beetles and a snake.

Activity	Year	When	Where	Contact	Description
Learning Support	All	Daily 12.30-1.30	Learning Support	Mrs Wilson	<p>The Learning Support base is open for students to seek advice with schoolwork, complete homework, read, play board games and socialise. Additional sessions will include life skills, social skills, typing/IT skills, Readingwise literacy programme, revision skills, maths support.</p> <p>Learning Support has a new location at the top of the Sports Link corridor near the library, we look forward to seeing you!</p>
Environmental Council	Elected Members	TBA	TBA	Mr Mason	<p>The Environmental Council is a nominated group of students from all year groups who are leading the school in its journey towards achieving the Eco-Schools Green Flag Award - an internationally recognised award for excellence in environmental action and learning. They work hard to make a difference at Lady Manners School.</p>
Equestrian Team	All	Weekends		Mrs Green	<p>Do you have a horse that is capable of jumping a minimum 40cm track for 'Grass Roots' show jumping qualification or a minimum of 70cm for NSEA National Championship qualification? There are a range of different competition heights available to suit most riders for both show jumping and arena eventing. You can also compete in inter-school dressage qualifiers at prelim, novice or elementary level. In all disciplines riders compete as individuals and may also compete and qualify in a team of three or four.</p> <p>We have also been able to hold a number of free training sessions for riders as a result of very generous sponsors.</p> <p>If you have transport and are interested in representing the school in the NSEA competitions then please contact Mrs Green in the downstairs Science Office for further information or look at the notice board on the Sports Link corridor. There is a small fee for membership of the NSEA. Further information about the NSEA is available at www.nsea.org.uk</p>

Activity	Year	When	Where	Contact	Description
The Rewilders	All	TBA Weekends		Dr Lennard	<p>This club is for those interested in developing the area in the corner of the school grounds on the Rutland field. We hope to manage this area so that we encourage and support organisms like insects, birds and bats to live there.</p> <p>More details can be provided for interested students.</p> <p>It is envisaged that weekends or after school would be suitable times to carry out the rewilding.</p>
