

How do I...

... get access to myvle from home or from a school laptop?

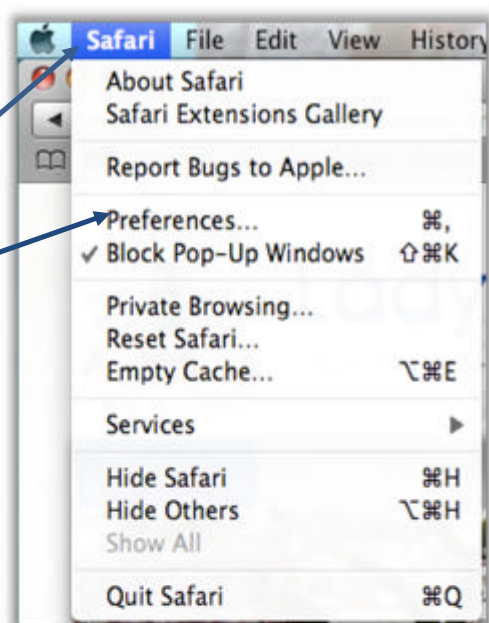

Web browser: Safari

Myvle is a website, and is available from any computer with access to the internet. It is intended only for use by Lady Manners School staff and students so you will need to enter your school network username and password on the front page.

However, you do need to enable cookies on your machine for Myvle to work properly. If you have typed in your correct username and password and you still cannot gain access, try this:

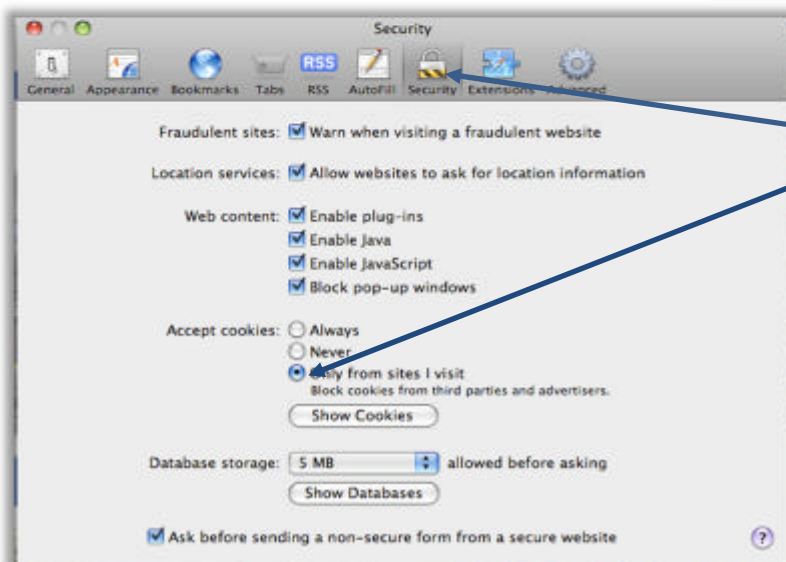

1. Open 'Safari'

- Click 'Safari'
- Click 'Preferences'

2. Select the 'Security' tab

- Select 'Only from sites I visit' from the 'Accept cookies' list

Note: The relevant cookies will be registered the next time you visit Myvle. After you've logged onto Myvle once from your computer, you can revert your cookie settings to your preferred setting if you wish.
